Undergraduate Planning Form

Sociology Major (Catalog Year 2024-2025)

While this form is intended to provide you with accurate information, the final responsibility for knowing and completing degree requirements is your responsibility. Course offerings and enrollment restrictions should be confirmed with your Degree Audit Report (DARS) and the Course Explorer. It is strongly recommended that you meet with your Academic Advisor at least once per semester.

Course Planning Tips

- Aim for 14-16 hours each semester (about 5 courses)
- Become familiar with how to add/drop courses, I cannot do this for you.
  - Google: How to Register UIUC for a step-by-step guide
- Degree Audit and Course Explorer are your FRIEND! Use Them!
  - Look specifically at the course/section notes on Course Explorer to make sure the section you're adding is not restricted to a certain major/student group.
- Figure out what balance works for you: Are you a morning person or are you more attentive later in the day? Do you like to have all your classes done on the same days, or do you need them spread out throughout the week?
- Pick courses that you genuinely are interested in, not ones that you feel you'll have to "suffer" through
  - You can complete your degree requirements while also enjoying them at the same time – the two aren't mutually exclusive 😊
